Mike—I'll give you a call...are you in today? I think PA would want rights given history of this case—they were co-plaintiff on the CD.

Hi, Mary,

Who will be the players in the covenant—Will EPA be the agency, with one or more PRPs being the owners/holders? If so, DEP would have enforcement rights and be notified of things. And the covenant would be a lot like 

In that case, attached is the latest EPA-lead model.

Call me if you'd like to discuss this.

Best,

Mike

I'm not sure I have the latest...I know we like to make certain tweaks, but I just want to send the model out to kick-start negotiations in Keystone.

Thanks!
